Tucker is Opposed to Big Bond Issue

Staunton, May 10—Addressing the Tucker Democratic Club here tonight, in the county courthouse, Harry St. George Tucker, gubernatorial candidate in the August democratic primary, stated that he is unalterably opposed to a bond issue for $50,000,000 for roads, providing that the economic situation remains the same as it is now. "With things as they are now, with business unsettled, labor at sea, price of farm products cut in half, and with the farmer depressed, I would never, as your governor, consent to any raise in taxes." Mr. Tucker said it was foolish a year ahead of time to cross the bridge before coming to it. He said that no business man would enter into a contract now for improvements on his property a year from now. State Senator, E Lee Trinkle, who was scheduled to be in staunton during the Old Fellows convention, had not arrived up to tonight. Previous announcement said he would address a meeting here today.

Buckingham

Messrs. Rogers, Wood Boatwright, Hubard, Hall, Strode, Campbell, Hundley, Coleman and Smith were all here attending court last week. In the Swan case the jury failed to agree and a deputy sheriff told me that a member of the jury said that the jury stood four to three on the question as to whether the shooting of Mr Swan was lawful or unlawful and that they did not consider the question of damage, because the other question had to be determined first.

Mr. Hubard Baird has about determined to attend the summer session at V. P. I.

Farmers are again croaking about the wheat looking badly, one thrifty farmer declaring that he would plow his under if it was not for the fact that he had a stand of grass on the land.

Mr. and Mrs. N. A. McKay are visiting at the home of Mr. W. W. Haskins.

Dr. T. H. Lacy preached at St. Andrews church last Friday night and was pleased to note the interest being manifested in Sunday School work there.

Mr. M. J. Cox has planted 14000 tobacco plants.

I have been eating delicious apples the past week and thinking how we will miss fruit this year. Someone has suggested that we prune the blackberry vines, as they are the only thing we have any hopes of. A lady invited me to dinner saying she had canned cherries for dinner and the next time she is cordial in that way I'll try to be on hand.

Frank Wood, a student at the High School here was picking a dynamite cap in school here last week when there was an explosion that blew off three of his fingers and injured one of the teachers and several small children slightly. There was considerable excitement incident to the explosion but the little fellow who pulled the most seems to have been least to do about it, he went home and soon he was taken to the home of Dr. Morris for treatment.

Justice Spencer tried a case vs. George Hobgood charged with selling corn liquor and the case was sent on to the grand jury.

It would be interesting to know just how many people in this county have changed their realestate to purchase automobiles. Three years ago here to-day to-day horse drawn vehicles is the subject of complaint among people who do use horses that when they come here there is no place to tie their horses since the new cement wall has been put around the court house.

Supervisor M. L. Lane of State River district, was ill last week and his friends have grave feare that he may not recover.

What has become of the gold that was used as a circulating medium? I don't think I have seen a gold coin in circulation since the war

Mr Snyder the Baptist minister here has consented to preach at St. Andrews church on the evening of the 3rd Sunday in June. This is a union church and I think each one of the denominations should help to keep up services there.

Turnes Mill

Mr. and Mrs. R E Wooldrige and children spent the week end in Lynchburg visiting the formers mother, Mrs. M. T Woolridge

Mr. and Mrs. Eddie Carter are all smiles, it's a boy.

For Torpid Liver

"Black-Draught is, in my opinion, the best liver medicine on the market," states Mrs. R. H. Whiteside, of Keota, Okla. She continues: "I had a pain in my chest after eating—tight, uncomfortable feeling—and this was very disagreeable and brought on headache. I was constipated and knew it was indigestion and inactive liver. I began the use of Black-Draught, night and morning, and it sure is splendid and certainly gives relief."

Thedford's BLACK-DRAUGHT

For over seventy years this purely vegetable preparation has been found beneficial by thousands of persons suffering from effects of a torpid, or slow-acting liver. Indigestion, biliousness, colic, coated tongue, dizziness, constipation, bitter taste, sleeplessness, lack of energy, pain in back, puffiness under the eyes—any or all of these symptoms often indicate that there is something the matter with your liver. You can't be too careful in the medicine you take. Insist that you get Thedford's Black-Draught," in the package. At all druggists.

Accept Only the Genuine.

A man cultivating corn WALKS 21¼ miles a day if he plows four acres and makes two trips to the row. He rides only 11 1-8 miles to plow four acres with an

OLIVER Riding Cultivator

which does the trick at one trip.

He has to turn around at the ends 560 times when he walks and plows, when he rides he only turns 280 times.

Allowing ½ of a minute for each turn he saves when riding we have two and one-third hours' time each day he plows instead of turns.

Let us show you an Oliver Cultivator. It's economical.

Are You in DANGER!

If you are in the habit of keeping money or valuables on your person or about your house, you are certainly in danger.

You are in danger not only of being robbed, but of having some worse fate befall you. There are, sad to say, those who would not hesitate to commit murder, if necessary, to expedite a robbery that they have planned.

You will be safer and your money certainly will, if it is deposited in bank. We not only offer you 100% safety, but will add 4 per cent interest to your balance each year.

As to your valuables, you can rent a safe deposit box in our vault in which they, too, will be really safe.
